

March 16, 2020

Dear Friends of Sages,

This letter is hard to write. As you know by now Governor Inslee has instructed all restaurants to stop all "Dine In" seating effective immediately. In the 19 years we have been in business we have never had to lay off staff, not after 9/11 or the 2008 recession, we kept them on board and soldiered through. But this time is different. Our employees are like family, some of them have been with us from the beginning and others have been with us for years. We want nothing more than to bring back our entire staff.

We want to let you know we are going to switch gears to "Take Out" only as that is our only option at this time. We want to be able to continue to serve you and we will get through this with your help. Please help us spread the word that we are doing "Take Out", let your friends know that we offer a GF menu, please consider ordering a meal for an emergency worker, a teacher or an elderly neighbor that can't get to a store. Perhaps consider a Gift Certificate for a later time down the road when we can open again. Our community as a whole needs to rally around each other, help those in need and support as many small businesses as possible so they can all keep their doors open.

On Tuesday, March 17<sup>th</sup> at 11:30 we will start doing "Take Out". We are currently looking into delivery options, but as of now, you may pick up your order. Please continue to follow our Facebook Page for Specials and Announcements. Also, we will have new hours that will be posted on our Website. We will revisit these hours of operation as time goes on.

We hope and pray that all of you are staying safe and healthy. We look forward to opening up our dining room again. Until then, whenever that may be, we Thank You so much for your continued support and we look forward to seeing you again.

Sincerely,  
Bart and Jerri K  
Owners
